

rage  
absolute rage  
how dare he use her  
hurt her every day for 9 months  
torture herself  
so she could keep her man  
then she gives him a beautiful child  
and he rejects her  
despises  
because she suddenly wants it?  
pull her hair and ride her like a horse  
but he mocks her  
impossible to be intimate  
after a vaginal birth  
how narrow minded  
how insensitive  
how arrogant  
how selfish  
how thoughtless  
lacking in love  
out of his depth  
she is a strong lion  
she will fight to the death
