

# Understanding Women, Children and Young People's Needs in West Dunbartonshire

The West Dunbartonshire Violence Against Women and Girls (VAWG) Partnership is carrying out a confidential research project to learn more about the needs of women, children and young people when it comes to services and support related to their safety.

## FOCUS GROUPS

You can join a small, confidential focus group where we can explore ideas together in a safe and supportive space. A trained facilitator will guide the conversation, make sure everyone feels comfortable, and ensure that all views are respected. These groups will take place in person.

- You are a woman aged 16+ living in West Dunbartonshire with experience of any form of VAWG now or in the past.
