## Why we need your help?

## We would like to speak to you if:

- You work directly or indirectly with women, children or young people who have experience of any form of VAWG now or in the past in West Dunbartonshire;
- You work directly or indirectly with perpetrators of VAWG in West Dunbartonshire;
- You manage staff or services which work directly or indirectly with those affected by, or responsible for VAWG in West Dunbartonshire.

If you can answer **YES** to at least one of the above, we would like to invite you to take part in a confidential interview.
